

BENEFITS OF MEMBERSHIP

ESA supports its members across the entire energy storage industry. Our principles of inclusion, competition and fairness are evident throughout our work to **ACCELERATE** markets, **CONNECT** members, and **EDUCATE** all stakeholders.

ACCELERATE: Bringing about change for the benefit of the entire industry

ADVOCACY

ESA represents its members' interests directly with centers of influence in Washington, D.C. and in state capitals around the country. With your support, the Energy Storage Association continues to:

- Work closely with regulators at the federal and state levels to open fair, competitive markets for the widespread adoption of energy storage.
- Ensure that regulatory policies reflect the value provided by energy storage, and that barriers to its integration are removed.
- Develop best practices at the state level to affirm the positive economic impact of energy storage projects for ratepayers.

WORKING GROUPS

Public policy conversations around storage are evolving. Join us in developing policy positions that will accelerate the deployment of competitive and reliable energy storage.

CONNECT: Facilitating business and enhancing members' brand

CONFERENCES AND MEETINGS

Members meet throughout the year and at the annual members' meeting to learn about ESA's activities, and share insight network. Members also receive conference discounts at ESA's three keystone events.

- **ESA Annual Conference & Expo:** Join decision makers, leaders, and other stakeholders from around the industry who understand that energy storage is the integral hub of the energy ecosystem.
- **ESA Policy Forum:** Understand what's happening in rapidly-evolving regulatory and legislative policy jurisdiction across the U.S.
- **Energy Storage STUDIO:** *Storage Uses, Deployment, Implementation, and Operations*. Focus on the latest practical developments in implementing and deploying energy storage projects.

SPEAKER'S BUREAU

Participate in our Speaker's Bureau, connecting your company directly with media outlets inquiring about newsworthy developments in the energy storage industry. This represents a perfect opportunity to highlight your industry expertise and demonstrate your thought leadership

EDUCATE: Keeping members apprised of the latest in policy, technology and markets

INTERACTIVE WEBINARS

Members collaborate through our interactive webinars to understand and address industry-wide trends.

- **Policy Issues & Initiatives**
- **Technical Implementation**
- **Markets and Models Insights**
